

4D 17 Release Notes (all products)

July 9th, 2018

Bug Fix List

Available here: <http://bugs.4d.fr/fixedbugslist?Version=17>

Library Update

- **Open SSL:** Upgrade to update v1.0.2n
- **CEF:** Upgrade to update 3282
- **SpreadJS:** Upgrade to update v11

Time expressed in seconds

Time stored in an object property is now expressed in seconds instead of milliseconds. More information can be found in this [blog post](#).

Commands names changed

A new way to get machine and hardware information about a 4D Server has been released in v17 ([more info in this blog post](#)). Two commands have been deprecated and renamed with a leading “o_”, another has been renamed:

- PLATFORM PROPERTIES => _O_PLATFORM PROPERTIES
- Gestalt => _O_Gestalt
- Current machine owner => Current system user
